Filitheyo Island Resort ★★★★★

Located 120 Km Southwest of Male and 45 minutes by seaplane, this resort is the only hotel on Faafu Atoll, with its beautiful coral reef. There are 125 spacious villas built with teak and palm roofs. They have poster beds and a natural decor in keeping with the environment. There are 84 superior villas each with outside shower, 10 family villas on the beach in groups of two connecting units. There are also 15 deluxe over water villas with a full bath and outside shower, and 16 over water villas with deck and sea access, along with a bath with Jacuzzi and shower. Each villa is air-conditioned, has a mini bar, hair dryer, satellite TV, telephone, stereo system and private deck. Our recommendation : the deluxe villas, which are individual units, closer to the common areas and on the nicer side of the beach.
